

Eastern FC Triumphs in Ct. Girls Soccer

3 Eastern FC coaches: Danny Simpson and Jason Simone of Greenwich High School and John Bradley of Darien High School have made history in the FCIAC Tournament!!

With **FCIAC coach of the year nominee** and Eastern FC Coach, Kirk Bamford at the helm, Brien McMahon High School Girls Varsity went from an 0-6 record to earning a place in the state tournament with a 5-7-3 final record. In the final stretch of the season, McMahon only lost 1 game giving up just 1 goal in 9 games. Good luck in the LL State Tournament.

Connecticut High School FCIAC Tournament

Congratulations to the **Greenwich High School** and the **Darien High School** Girls Varsity soccer teams on making the FCIAC tournament as the #5 and #6 seeds respectively. In the quarter finals, played on Sunday 10-28-07 Darien defeated the #3 seed Ridgefield High on penalties after the score was tied at 1-1 at the end of regulation. On the same day Greenwich defeated the #4 seed, Fairfield Warde High 3-2 in regulation time. This is the first time in history that Greenwich girls varsity soccer has won an FCIAC game as well as the first time that any lower ranked team has beaten a higher ranked team in this tournament on the girls side.

The Semi-Finals will be played on Tuesday, 10-30-07 at the Kristine Lilly Field in Wilton. Darien will take on #2 seeded Trumbull High School at 5pm followed by Greenwich versus the unbeaten #1 seed, St. Joseph's High School at 7pm.

17 out of the 28 players on the Post-season roster for the **Greenwich High School** Girls Varsity soccer team, and **9 of the 26 players** rostered on the **Darien High School** roster have or still play for *The Premier Club* in Greenwich, Eastern FC. This is a great testament to the quality of players coming through the ranks at this club.

Good luck to both **Darien** and **Greenwich** in their FCIAC Semi-final games on Tuesday.
